EDUCATION

BCA   2023-2026

Sant Singaji Institute of Scienc And Management Sandalpur

SKILLS

- **programming language**
  JavaScript ,Java

- **Web Development**
  React.js , HTML,CSS, Bootstrap,Tailwind css

- **DataBase**
  MongoDB ,MySQL

- **Version Control**
  VS code ,GItHub

- **Soft Skills**
  Team Work, Communication,problem Solving ,Time Management

LANGUAGES

- English
- Hindi

PROFILE

Dedicated and ambitious IT student with strong foundation and a practice
approach to personal and professional growth seeking opportunities to contribute my skills and passion to a reputed company, where I can learn
and develop while making contributions.

PROJECTS

CHAT-BOT

React js, Tailwind css, API   GitHub

- Developed a responsive chatbot application using React.js and Tailwind CSS, ensuring seamless user experience across desktop and mobile platforms.
- Integrated external APIs to enable dynamic and real-time chatbot responses based on user inputs.
- Implemented state management and component-based architecture in React to handle conversational flow and user interaction efficiently.
- Designed a clean and intuitive UI using Tailwind CSS, optimizing usability and visual consistency.

WEATHER-APP

React js, Tailwind css, API   GitHub

- Built a weather forecasting web application using React.js and Tailwind CSS to display current and multi-day weather data with a clean, responsive UI.
- Integrated third-party weather APIs (e.g., OpenWeatherMap) to fetch real-time weather conditions and 5–7 day forecasts based on user location or input.
- Implemented asynchronous API handling with fetch/axios and React hooks to manage data loading states and ensure smooth user experience.
